Public Comment- None at this time.

Department Expenditures- None at this time.

Dave Danielson- Community Scouting Charter- Dave attended the meeting to discuss starting a Scouting Charter in Paradise. He feels like people would like to keep the dream

of scouting and receiving an Eagle Scout alive. He feels like the need will arise to have a community Scout Troop as early as next year. He wondered about the possibility of using the Town Hall on a weekly basis to house the Scouts and their activities. Dave reported that American Legion is sponsoring a troop in Hyrum, and that Smithfield City is sponsoring a troop in Smithfield. He reported that Brigham city has a boys and girls club sponsoring a troop in Brigham, and that the first Presbyterian troop in Logan is sponsoring a troop. He projects more community groups will pop up all over the place because Utah can afford scouting because so many people don't want the "Eagle Scout" award to be dropped. Shannon asked if American Legion may sponsor a troop in Paradise and the troops could just use the building. Dave would like to fall under the Lions Club umbrella as he has lived in Paradise his whole life and supported the Lions Club. The Council will look into what the responsibility of sponsoring a troop would be and what the responsibility would be of offering a building for the Scouts to meet in weekly.

Resolution 2018-01- PTIF Accounts- The State of Utah Treasurers accounts have asked to have an official person/people from each municipality allowed to access the PTIF accounts. The PTIF (Public Treasurers Investment Fund) accounts are the accounts through the State of Utah Treasurer where our Impact Fees are deposited. They have requested an official resolution listing those people. Shannon made a motion to accept Resolution 2018-01 and name Alyssa as the person who can access the PTIF Accounts, Martell seconded that motion, all in favor.
